The energy label for the Electrolux GA60KVSW dishwasher features a blue header with the European Union flag and the word 'ENERG' in large letters, with 'енергия · ενεργεια' below it. To the right are four circular icons: 'Y IJA' and 'IE IA'. Below the header, the brand 'Electrolux' and model 'GA60KVSW' are listed. The energy efficiency scale is shown as a vertical bar with seven horizontal bars representing classes A+++ (green), A++ (light green), A+ (yellow-green), A (yellow), B (orange), C (red-orange), and D (red). A black arrow points to the A++ class. Below the scale, the energy consumption is listed as '262 kWh/annum' in a white box. At the bottom, there are four icons: a water tap for water consumption (2860 L/annum), a power button for energy efficiency class (A B C D E F G), a plate and glass for cutlery capacity (13), and a speaker for noise level (47 dB). The bottom right corner contains the code '2010/1059'.
